I am sending this to your New York address as I do not know exactly when you will be taking off for Nassau.

Mott left a few days ago, just in time to escape the blizzard which attacked us yesterday.

Many thanks for remembering me with the Diary for 1961. I am already beginning to fill up its pages. Also many thanks for what you have said about my work here. I am hoping that sometime during the next few months I can get down to Nassau so that we can have a good talk about the world in general, and what we should do in particular.

Very best wishes for Christmas and the New Year to Myra and to you.

Sincerely,

AWD
